Pursuant to 37 C.F.R. §§ 1.56 and 1.97(c), applicants bring to the attention of the Examiner the document on the attached listing. This Information Disclosure Statement is being filed after the events recited in Section 1.97(b) but, to the undersigned's knowledge, before the mailing date of either a Final action, Quayle action, or a Notice of Allowance. Under the provisions of 37 C.F.R. § 1.97(c), this Information Disclosure Statement includes a certification as specified by Section 1.97(e).

The document listed in this Information Disclosure Statement was first cited in a PCT Search Report in a counterpart foreign application, and this Supplemental Information Disclosure Statement is being filed within three months of the mailing date of that Search Report. The other documents listed in the PCT Search Report (U.S. Patent Nos. 5,120,420; 6,591,125; 5,925,021; and U.S. Application No. 2002/0157947)

Applicants respectfully request that the Examiner consider the listed document and indicate that it was considered by making an appropriate notation on the attached form.

This submission does not represent that a search has been made or that no better art exists and does not constitute an admission that the listed document is material or constitutes "prior art." If the Examiner applies the document as prior art against any claims in the application and applicants determine that the cited document does not constitute "prior art" under United States law, applicants reserve the right to present to the Office the relevant facts and law regarding the appropriate status of such document.

Applicants further reserve the right to take appropriate action to establish the patentability of the disclosed invention over the listed document, should it be applied against the claims of the present application.

If there is any fee due in connection with the filing of this Statement, please charge the fee to our Deposit Account No. 06-0916.

Respectfully submitted,
